

# Copenhagen

## Why we choose Copenhagen?

It has river and sea, in the olympics you can do swimming. Also on the roads, where you can do cycling. You can skate in copenchill, where it has a power station, which has running loops, climbing walls, street fitness (explanation).

A stadium for the olympics will be built in 2025 to 2026, with a capacity of 38.190.

## Qr

## The history of Copenhagen

Copenhagen was founded by Bishop Absalen in 1167. In 1807 was bombarded by the UK. It has an star as a fortress. That is make a fortress that is impossible to attack because is rounded by a river. Was built in 1606 to 1664.

## Fun facts

1: 55% of Copenhagen residents commute by bicycle. Cycling is huge in Copenhagen despite the bad weather

2: Copenhagen has a self-governing town inside the city itself. Christiania, the freetown city that has around 1,000 residents, people don't pay taxes and run the 'freetown' according to their own laws. They sell marijuana to make money

3 the little mermaid: The Little Mermaid is a bronze statue by Edvard Eriksen, depicting a mermaid becoming human. The sculpture is displayed on a rock by the waterside at the Langelinie promenade in Copenhagen

4 : Copenhagen has the longest pedestrian shopping street in the world. On the street Strøget you will find plenty of international and local brands

5: Danes are the seventh biggest coffee consumers in the world, which explains why they have so many great coffee places. 6: Copenhagen is incredibly green, as in eco-friendly. So much so that it was rewarded with the title of Green Capital Of The Year in 2014. The city actually aims to become the most cycle-friendly city in the world
