

Instalaciones Polideportivo

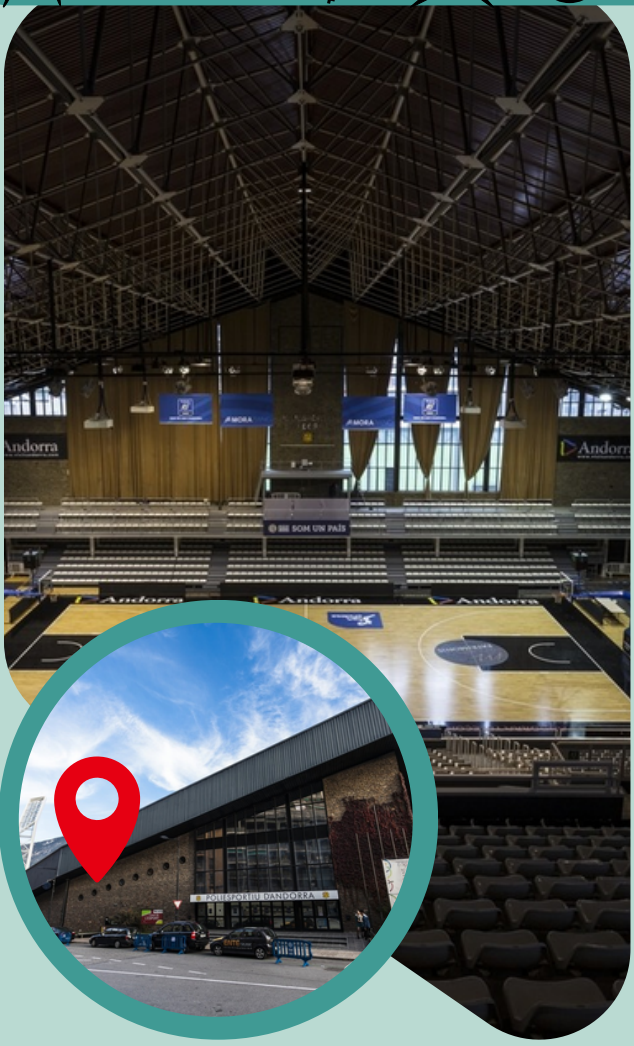

Practicing sports in Andorra has become the favorite of many. The Principality offers a perfect environment for skiing, although there is also a mountain bike season, you can practice climbing along the best Via Ferrata routes.

The favorite accommodation for tourists is the rural houses, in the mountains. Although we also have more than 10 hotels

### Poliesportiu d'Andorra

Its facilities are prepared to host highly competitive sports events such as basketball, handball, volleyball or indoor soccer.

Legend has it that Charlemagne founded it in the year 805. After years of intense fighting between neighboring counts and the church. It puts an end to it. Currently its president is Xavier Espot

Culture and traditions are very important that is why we continue to preserve them, such as our great carnivals or the encounter with the Virgin of Canòlich.
