

Olympic bid of Chicago

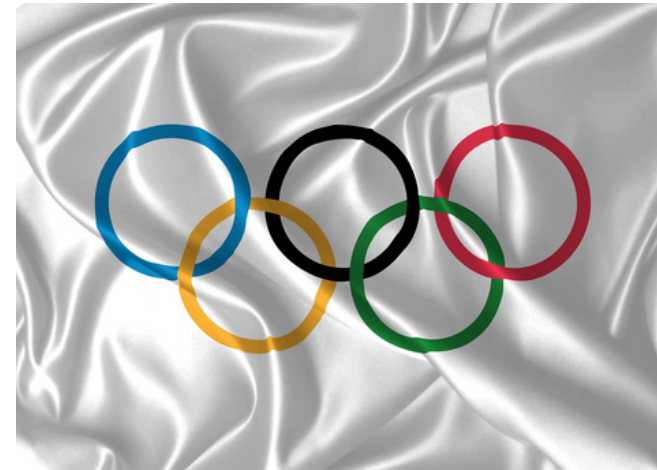

We want the Olympic bid because we have different places to celebrate them. Despite the lack of an Olympic stadium, Chicago has dozens of existing sports facilities. The Navy Pier and lake along Lake Michigan would host the aquatic events. The McCormick Place Convention Center, the second largest in the world, would be one of the sports facilities to host judo and gymnastics, as well as the media shelter, while the archery and medal podium be it in Millennium Park.

Olympic bid of Chicago

They should choose Chicago because it is a very cultural city. Chicago has made significant contributions to popular culture. In the field of music, Chicago is known for Chicago blues, Chicago soul, jazz and its gospel music. It is also known as the birthplace of house, whose history is related to the development and adoption of techno-electronic music in Detroit.
